Cruise to the Pizza Factory in Suncrest

Tuesday August 18th

It was a blast!

We had another great turn out with 55 members present. The cruise over was a bit Smokey, but still fun. There was enough excellent pizza, yummy breadsticks, salad bar, dessert pizza and soda that even our notorious “Inland Empire Mustang Eating Club” could possibly eat. If you went away hungry, that would be amazing. At the conclusion, the Pizza Factory was kind enough to offer all the leftovers for folks to take home. Most folks had gone by that point but several were still able to take home a meal to enjoy at home. All in all a great time out with the IEMC Family.
